

STANDARD FORM NO. 64

~~SECRET~~

*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Executive Secretary, CIA Career Council

DATE: 3 JAN 1958

FROM : Chief, Management Staff

25X1A SUBJECT: Proposed R [REDACTED] "Training at Non-CIA Facilities  
under Public Law 110"

1. Although I concur in the substance of the proposed regulation there is an inconsistency in wording between the following paragraphs:

a. Paragraph 2a.(2) states that the Director of Training shall "approve or disapprove all favorably endorsed requests for training of personnel at non-CIA facilities. Approval must precede actual enrollment".

b. Paragraph 2d.(2) states that the Deputy Directors shall "In collaboration with the Director of Training brief agency personnel selected by the DCI for training at Quota Schools..." (underscoring supplied)

2. It is apparent that the responsibility of the Director of Training for approving requests for training should exclude persons selected by the DCI. Our Training Officer has discussed this inconsistency with OTR's Deputy Registrar, who agrees that a change is appropriate.

Proposed regulation is concurred in--a succinct revision of the present regulation. However, it is noted in paragraph 2.d.(2) of proposed revision, that Deputy Directors in connection with Director of Training shall brief trainees on security. Should Director of Security be cut in on this as in paragraph 3.b.(5) of the present regulation?
